### Five Little Snowmen

5 little snowmen standing in a row (hold up 5 fingers)

Each with a hat (pat head) and a big red bow (pull at neck like a bow tie)

Along came the sun (arms form big circle over head) and it shone all day (lean to the left)

And one of those snowmen melted away! (put down one finger)

Repeat using fingers until all the snowmen have melted away.

Make snowmen finger puppets.
