Curricular Areas

Numeracy: This term, the focus will be on developing subtraction, measurement and data handling skills. We will also further develop our understanding of numbers to 20. Pupils will continue to develop their Mental Maths skills through a variety of daily tasks.

Literacy: We will continue to learn a new phoneme and new common words weekly. We will focus on sentence structure skills and develop strategies to help us read and spell words more independently. Free Writing Friday sessions will continue each week.

Health and Wellbeing: Pupils will participate in PE twice weekly and will also do the Daily Mile. We will focus on developing skipping and tennis skills this term. We will also prepare for Sports Day activities.

Interdisciplinary Learning:

Our topic this term will be Living and Growing. We will be learning about privacy, how to look after our bodies and how to care for babies. In Art, we will focus on the work of famous artists and create our own masterpieces in their style. We have lots of exciting learning planned in the lead up to celebrating the Queen's Platinum Jubilee.
