Homework

Homework will continue to be put out via Assignments in the P4 Teams page on a Monday and to be handed in by Friday. Pupils will be asked to complete a spelling activity chosen from a grid to support class learning. Spelling tasks will be shared online via Microsoft Teams. Reading books will be handed out on a Monday. Please read at home and remember to bring the book back into school each day.

Curricular Areas

Numeracy

This term, our Numeracy focus will be on fractions, probability, data-handling and position and movement. Pupils will continue to participate in a range of daily challenges, active group tasks, games on the iPads and problem-solving activities to develop their Mental Maths skills.

Literacy

When writing stories, P4 will continue to explore how to create their own exciting stories with a focus on story openers. This term they will develop their understanding of how to use speech marks. P4 will continue to take part in Free Writing Friday sessions. The children will also continue to develop strategies to help spell and read common and tricky words.

Health and Wellbeing

Pupils will enjoy PE twice weekly. We will have a focus on fitness and athletics and explore the game of Handball. We will also be participating in the Daily Mile School Challenge. We will learn about the human body and explore aspects about what makes us all unique.

Interdisciplinary Learning

This term, the children are going to be learning about climate zones around the world. We will discover how to record the weather, linking to data-handling.
